

GearJuice™ - Mobile Pocket Power (GMP1001W6)
Recharge your mobile devices with this ultra-slim mobile power pack.

Model # GMP1001W6

Description

Introducing the new 'GearJuice™ - Mobile Pocket Power' from IOGEAR. This ultra-slim, lightweight mobile power pack makes it easy to charge your portable devices on the go, eliminating the hassle of finding a power outlet and/or charger. Running out of battery is often the worst thing that can happen to a mobile professional. Mobile Pocket Power allows you to charge your mobile phone up to 3 times before recharging, and with 6 interchangeable tips (included) you can charge any standard portable device in the market. Whether on the road, at the game, or in a meeting, the dependable GearJuice™ - Mobile Pocket Power provides the mobile power to keep your vital electronic devices energized. You'll never have to worry about running out of battery again.
